## FINISHING OPTIONS

### CARPET COLORS

Black

Cinder

Grey

Beige

Most TruckVault products include exterior carpeting to closely match the interior of your vehicle, disguising the unit as the floor of the cargo area. These options, combined with your choice of drawer face finish, allow you to design your TruckVault to best suit your needs.

### DRAWER FACES

Dark Stained Oak

Black Composite

### DIVIDERS

Diagonal

Vertical or Horizontal

Available in long, short or diagonal, these removable, repositionable dividers are carpeted to match the interior of the drawer. Hard composite holders screw into place in seconds and allow the divider to be removed when more space is needed.
